

# How to get your free three Flexi Credits

**Step 1 - sign up on <http://flexi.ltl-online-school.com/register>**

You will be asked to enter your details and choose a package. Please choose the Program "Tester 3 Lessons".

**Step 2 - enter your promo Code: 3HRS100PERCTOFF**

With this you will get three credits and a one month subscription for free (100% off). The system works on a subscription basis, so you need one to book classes. To start a subscription a credit card is needed. **You will not be charged.** Once registered, you can cancel, change or update your subscription under "Credits" at any time.

**Step 3 – You are done.** The final invoice (which will be zero) is shown.

You can go to "Book a Class" to book your free classes. The free credits are already in your account.

Classes will be taught via Zoom and the link to join will appear 5 minutes before the class under "My Classes". A short video on how it all works is:

## FAQs

Can I enter the code later? No, the code only works once when you sign up. Make sure you don't forget to enter it.

Do I have to register in one go? Yes, you have to complete the registration in one go once you entered your email. Do not refresh the page or use the "back" buttons as there is only once the option to enter the code.

Are my Credit Card Details safe? Yes they are. LTL is the world's largest online language school, however we are not a bank and do not get access to your credit card details. This is done by [Stripe](https://stripe.com), the world's largest credit card processing company. Most of the paid internet uses their services. You already gave them your credit card details if you ever bought something on a major online platform like Amazon, Booking.com, Uber, Zoom or Grab.

## **PLEASE MAKE SURE YOU TURN UP FOR YOUR CLASSES**

Flexi Classes are taught by real live teachers. Currently our classes are very small with often just one student in it. So if you do not turn up without cancelling, a teacher will sit an hour alone in front of their computer waiting.

Tip: You can cancel your classes at any time with just a click of a button.
