In our daily life, we always use "我今日好_____"to express how we are feeling today (only adjectives can be used after 好).

Let's talk about how you feel today and ask your friend how they're feeling:

我今日好_____

笑死

siu3 sei2

This phrase was originally used to describe a situation that would really make you laugh. It literally means "smile to death". However, now many people use this term quite insincerely.

Match the reactions to the emotions:

笑
